

CITY OF HUBBARD PUBLIC WORKS

Last Revised: 10/16/2018

POTENTIAL EAGLE SCOUT PROJECTS:

1. Native Planting Project – Mill Creek Nature Park
2. Park Clean-up / Invasive plant removal – Mill Creek Nature Park
3. Paint Storm Stencils: **(2018 Partial Completion)**
4. Organize an outdated prescription and over-the-counter medicine disposal, distribute information and organize a collection for possibly a Saturday (this would be coordinated with both PW and PD)
5. Organize fundraiser and purchase recycled plastic garbage cans for City Parks
6. Organize a proper American flag retirement (We have several flags needing to be retired)
7. Clean-up parking strip at Barendse Park: **2018 Completed**
8. Develop an outreach for National Drinking Water Week (May 5-11, 2019) – Use AWWA as resource for ideas
9. Clean up right-of-way by the shop on the “D” Street side, possibly purchase and plant street-friendly plants to beautify the area
